

# Symposium on collective flow in nuclear matter: a celebration of Art Poskanzer's life and career

## Saturday, 10 December 2022

**Session VI - Buiding 91, room 310 (11:00 - 12:30)**

-Conveners: Nu Xu

time	[id] title	presenter
11:00	[19] Collective flows and Sounds of the Little and Big Bangs (remote)	SHURYAK, Edward
11:30	[20] Blast wave fits to elliptic flow data from the RHIC beam energy scan to LHC energies	SCHMAH, Alex
12:00	[21] Far-off-equilibrium journeys through the QCD phase diagram	HEINZ, Ulrich
