2022 Winter Food Bank Drive

- Lab employee support, through volunteering and donations, will make a very material difference for the many clients relying on local food banks this winter. There's still time to give, and to help the Lab break a new donation record. The Winter Food Bank Challenge runs through Friday, January 6
- Consider donating using the laboratory and area-specific links:
 - Alameda County: <https://donate.accfb.org/vfd/PSALbLPIMD>

Roaming Gnomes

- The Roaming Gnomes Moments of Gratitude by the Berkeley Lab Postdoc Association took place past Friday,
- Though now in the past, you can still take this as inspiration,
- Everybody loves to receive a holiday card and a kind note – reach out to the people in your circle!
