

CIPANP 2018 - Thirteenth Conference on the Intersections of Particle and Nuclear Physics

Thursday, 31 May 2018

Plenary 5: Quark Matter and High Energy Heavy Ion Collisions | Special Topic - East Foyer | Larkspur/Mesquite Rooms (08:00 - 09:45)

-Conveners: David Hertzog

time	[id] title	presenter
08:00	[207] Recent Results on Heavy Flavor Production in High Energy Nuclear Collisions	DONG, Xin
08:35	[75] Status of Searches for Chiral Magnetic Effects in Nuclear Collisions	Prof. LI, Wei
09:10	[302] Physics with an Electron-Ion Collider	SICHTERMANN, Ernst
