

# Updates

---

- **No changes for COVID**
  - **Alameda still in Medium**
  - **Lab looking at the new changes from the CDC**
- **Building Elevators**
  - **B070 - Normal**
  - **B070A – Equipment Only**
- **Appliance Inspections**
  - **Employee Shock**

# NRTL

All electrical equipment, including kitchen appliances and fans, must be approved for use at Berkeley Lab through the Electrical Equipment Safety Program (EESP).

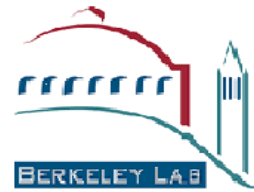

NRTL-Listed equipment is automatically considered acceptable.

Electrical equipment that is not NRTL-Listed must satisfactorily pass a documented electrical safety inspection to ensure that all applicable safety codes have been applied.
