

HTS Cable Test Facility Project

External Oversight Committee (EOC) Meeting III
Wednesday, March 20, 2024
Held virtually via Zoom

EOC Committee members:

Joe Minervini (Chair), Steve Gourlay (co-chair), Luca Bottura, Luisa Chiesa, Ruben Carcagno, Danko van der Laan, Nicolai Martovetsky

Charge:

- 1. Comment on the project status, in particular technical advances on the magnet and on the facility preparations.*
- 2. Is the project taking appropriate steps to address community needs and to manage expectations for the facility?*
- 3. Are project risks reasonably documented and understood by the project team? Are there additional risks that the project should consider?*
- 4. What are the long-term considerations that we should be acting on now?*
- 5. Have we reasonably addressed feedback from the last EOC meeting?*
