

Beam Dynamics Mini-Workshop on Deflecting/Crabbing Cavity Research and Applications in Accelerators

Wednesday, 18 July 2012 - Friday, 20 July 2012

Institute of Modern Physics, Chinese Academy of Sciences, Lanzhou, China

Scientific Programme

Plenary sessions and working groups (day 2 only)

Plenary Sessions

**Working Group 1: Cavity-Beam Interaction
(Graeme Burt, Robert Rimmer)**

**Working Group 2: Cavity Design Coupler, Damper
and Optimization (K. Hosoyama, Genfa WU)**
