

# **Beam Dynamics Mini-Workshop on Deflecting/Crabbing Cavity Research and Applications in Accelerators**

**Wednesday 18 July 2012 - Friday 20 July 2012**

**Institute of Modern Physics, Chinese Academy of Sciences, Lanzhou, China**

## **Scientific Programme**

Plenary sessions and working groups (day 2 only)

## **Plenary Sessions**

**Working Group 1: Cavity-Beam Interaction  
(Graeme Burt, Robert Rimmer)**

**Working Group 2: Cavity Design Coupler, Damper  
and Optimization (K. Hosoyama, Genfa WU)**
