Beam Dynamics Mini-Workshop on Deflecting/Crabbing Cavity Research and Applications in Accelerators

Wednesday, 18 July 2012 - Friday, 20 July 2012
Institute of Modern Physics, Chinese Academy of Sciences, Lanzhou, China

Scientific Programme

Plenary sessions and working groups (day 2 only)

Plenary Sessions

Working Group 1: Cavity-Beam Interaction (Graeme Burt, Robert Rimmer)

Working Group 2: Cavity Design Coupler, Damper and Optimization (K. Hosoyama, Genfa WU)
