- EIC-UG Steering Committee
 - Nominations for Chair-elect, international member, early career member open till April 10 (in 2 days)

EICUG Steering Committee

Steering Committee duties:

- Ensuring that the activities of the EICUG support the mission above consistently with the Charter
- Organization of the regular meetings of the EICUG
- Support of the EICUG website
- Organization of working groups of EICUG members with similar interests in the areas of physics topic, detector R&D, accelerator R&D, outreach, etc. The working groups will report at the regular meetings of the EICUG.

Chair-Elect:

Duties: The Chair-Elect will serve one year as Chair-Elect, the following as Chair and the following as Past Chair, as per the chair-line system: these are the officers of the Group. The SC Chair is the EICUG Spokesperson. The Chair-Elect and Past Chair may act for the Chair at their request and shall act for the Chair in the event that the latter is unable to perform their duties. The Past Chair will organise an annual review of the EICUG Charter.

Duration: Three years

Constraints: The candidate cannot be from the same institution of neither the Chair nor the Past-chair. Currently this invalidates candidates affiliated with Massachusetts Institute of Technology and Jefferson Lab.

International member:

Duties: Support the SC activities

Duration: Three years

Constraints: Affiliation must be to an Institution situated outside the US

Early Career member:

Duties: Support the SC activities

Duration: Three years

- Constraints: Must have at most five years of research contracts, accounting for career interruptions, after the PhD awarding
