

Second Circular Announcement

Dear Colleagues,

We would like to invite you to join us for the 18th International Symposium on Capture Gamma-Ray Spectroscopy and Related Topics (CGS18) at the Hilton Garden Inn in Monterey, California, from June 14-19, 2026. This is the 18th meeting in the CGS series, following the 2023 symposium held in Grenoble, France. The symposium will open with a welcome reception on the evening of Sunday, June 14, and run through the afternoon of Friday, June 19, 2026.

We are in the process of putting together an exciting scientific program devoted to the general themes of the series including, but not limited to: Nuclear Structure, Nuclear Reactions, Nuclear Astrophysics, Fundamental Interactions and Symmetries, Nuclear Data, Experimental Techniques and Facilities, Interdisciplinary Studies and Applications.

Abstract submission is now open, and will remain open until 22 February 2026 at the conference website <https://conferences.lbl.gov/e/cgs18>. Registration will open during January 2026. Details of invited speakers, venue, travel, registration fees and other information are available at <https://conferences.lbl.gov/e/cgs18>.

Inquiries associated with this Conference should be addressed to cgs18@lbl.gov.

We look forward to seeing you in Monterey for CGS18.

On behalf of the CGS18 Organizers,

Heather Crawford (LBNL, co-chair)
Filip Kondev (ANL, co-chair)
Augusto Macchiavelli (ORNL, co-chair)
Mathis Wiedeking (LBNL, co-chair)
