

**Session Program**

**19-20 Mar 2026**

**Workshop on High Baryon Density Physics in  
High-Energy Nuclear Collisions**

**Collectivity**

Bldg 15, 253

# Friday 20 March

09:00

## Collectivity

**Session** | **Location:** Bldg 15, 253 | **Convener:** Xin Dong

09:00–09:20 **BES-II Collective Flow Measurements (Remote)**

**Speaker**

Shusu Shi

09:20–09:45 **Discussion**

09:45–10:05 **Theory Perspectives on Collective Flows at BES Energies**

**Speaker**

Lipei Du

10:05–10:30 **Discussion**

10:30–11:00 **Coffee Break**

11:00–11:20 **Model Calculations for BES-II**

**Speaker**

Iurii Karpenko

11:20–11:45 **Discussion**

11:45–12:05 **UrQMD**

**Speaker**

Tom Reichert

12:05–12:30 **Discussion**

12:30
