SULI & CCI Internships

Overview: Interns work at Berkeley Lab for 10- or 16-week terms, on technical or research projects, under the mentorship of Berkeley Lab employees and teams.

Participants receive a stipend, housing supplement, and travel costs to and from LBNL.

A-LIFT creates and provides a comprehensive program, with activities, presentations from guest speakers, facility tours, technical writing and science communication workshops, networking opportunities, personalized staff support, etc.
