### Gravitational Waves II: Multi-messenger Analysis (2:00 PM - 3:40 PM)

time	[id] title	presenter
2:00 PM	[M74] The explosion dynamics of core-collapse supernovae and its multi-messenger signatures	KOTAKE, Kei
2:20 PM	[M07] Observing Gravitational Waves from the Next Nearby Core-Collapse Supernova	Ms GOSSAN, Sarah
2:40 PM	[M47] Delayed Outflows from Accretion Disks formed in Neutron Star Binary Mergers	FERNANDEZ, Rodrigo
3:00 PM	[M39] Detection and Localization of Gravitational Wave Transients: The Early Years	Dr PRICE, Larry
3:20 PM	[M6] General-relativistic Simulations of Three-dimensional Core-collapse Supernovae	Dr ABDIKAMALOV, Ernazar
