### Neutrino Oscillations/ Neutrino Beams III: Sterile neutrinos and nonstandard properties (16:00-17:40)

time	[id] title	presenter
16:00	[49] Sterile neutrino oscillations: the global picture	KOPP, Joachim
16:20	[91] CeLAND: PBq source in KamLAND and short baseline neutrino oscillations prospects	Dr MARICIC, Jelena
16:40	[141] SOX: Short distance neutrino Oscillations with BoreXino	Dr SMIRNOV, Oleg
17:00	[108] Latest results and current status of the MEG and Mu2e charged lepton flavor violation experiments	Dr LIM, Gordon
17:20	[18] Electromagnetic interactions of neutrinos	STUDENIKIN, Alexander
