- Anticipating new pilot every 3-4 weeks

Updates

FDA updated list of Do Not Use Hand Sanitizers

<https://www.fda.gov/drugs/drug-safety-and-availability/fda-updates-hand-sanitizers-consumers-should-not-use>

Was 186 Brand Names (2 weeks ago)

Now 203 Brand Names

(List includes subpotent and microbial contaminated)

(Most companies based in Mexico (87%), but now have US (6 States), China, Turkey, Korea, and Guatemala)

New from CDC - update acknowledges the existence of some published reports showing limited, uncommon circumstances where people with COVID-19 infected others who were more than 6 feet away or shortly after the COVID-19-positive person left an area. In these instances, transmission occurred in poorly ventilated and enclosed spaces that often involved activities that caused heavier breathing, like singing or exercise. Such environments and activities may contribute to the buildup of virus-carrying particles.

Updates

Travel Policy

- Chapter 1 Pub. 3000
 - Work Process D (COVID Travel-Related Requirements)
 - Travel for business purposes
 - Does not include UCB Campus or Richmond Field Station (RFS)
 - Requires WPC activity and advance approval

Policy is a work in progress.

One update has already been completed.

Management is still receiving more feedback.

Back Again

Ergonomic safety remains a top concern.

- 3 Recordable during SIP
- 600 Telework Ergo Evals (240 due to discomfort)
- Please DO NOT work directly on your laptop!
- Create ways to move at least every 30-40 minutes
- Resources
 - ergo.lbl.gov
 - telework.lbl.gov
