# Traffic Safety

**There have been a few blatant and highly dangerous driving incidents noted at the lab recently.**

**Even with reduced numbers onsite,**

- **Observe all traffic laws**
- **Report any dangerous driving to security**
  - Don't follow or confront**
  - Don't need to get plate number**
  - Just need day / time/ where**
- **Security has cameras all over the lab**
- **Traffic committee looking at formalizing disciplinary actions**
