Monday and Tuesday at LBL

Wednesday at Potter St

[**https://covid.lbl.gov/covid-19-testing**](https://covid.lbl.gov/covid-19-testing)

Back Again

Ergonomic safety is still a top concern.

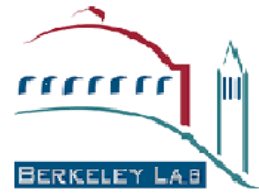

- Do not work directly on your laptop!

- Create ways to move at least every 30-40 minutes
- EHS0054 Ergonomics Telework Training
- <https://ergo.lbl.gov/> and telework.lbl.gov
 - Updated Ergo Equipment List
 - Check delivery time before you order

Updates

FDA updated list of Do Not Use Hand Sanitizers

<https://www.fda.gov/drugs/drug-safety-and-availability/fda-updates-hand-sanitizers-methanol>

1/26/2021 FDA took action to place all alcohol-based hand sanitizers from Mexico on Import Alert

There are 230 Brand Names

(List now includes subpotent and microbial contaminated)
