

Updates

More Progress

- Lab added 100 daily entries last week (1450 Total)
- Lab still working on what the “New Normal” will be
- Focus on Office of Enforcement Visit (May 24-27)
- Looking at LBL0014 Training
 - 38 NSD employees show deficient

Wildfire Season

Before a Fire

- Have a plan (are you in a SAFE building)
https://drive.google.com/file/d/1P49EpcJ2stUHJgEfZcnLf_B91DTICk27/view
- Be aware of hazardous conditions
 - Home – Trim trees and bushes / clean roof and gutters
 - Work – Report unsafe conditions (pine needles / bark)
- Sign-up for Lab Alert
<https://commons.lbl.gov/display/itdivision/LabAlert+-+Emergency+Broadcast+Service>

During

- Stay informed (Lab Alert / PA Announcements)
- Be ready to evacuate (lab in safe configuration?)
- Follow instructions (know where the nearest SAFE building is)
- Know your available evacuations routes
