

# Updates

- **Covid control changes should be coming in two weeks (July 12<sup>th</sup>)**
  - **Controls will be based on vaccination status**
- **Upload your vaccination card**
  - **Clinic.lbl.gov**
  - **Verify card uploaded**
- **PMP Self-Assessments (Due June 22<sup>nd</sup>)**
- **Big Thank You to the 2021 Retirees**

# Injury Stats

**LBL saw a spike in TRC and DART in April-May 2021; overall injuries are still trending lower than FY17-19 but higher than 2020**

- **7 out of 14 (50%) TRC for FY21 have occurred in April-May 2021**
- **5 out of the 8 (63%) DART for FY21 have occurred in April-May 2021; Facilities=4, Engineering= 3, & OCFO=1**

## One Takeaway

**When working conditions change, it is imperative to step back and reassess to ensure no additional hazards are being introduced into the work scope and to ensure Controls are in place prior to continuing the work evolution.**

# Happy July Fourth

Enjoy the long weekend

- Family and Friends
- BBQ
- Fireworks Show

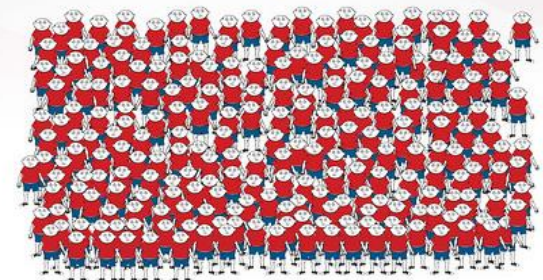

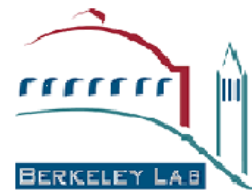

Don't shoot them off yourself

- Illegal
- Fire Danger
- Serious injury / Death

**230** people on average go to the emergency room every day with fireworks-related injuries in the month around the July 4th holiday.
