

Updates

- **Horseshoe COVID testing site is now closed**
- **Stay home if not feeling well**
- **Domestic Travel opening up**
 - **Vaccinated (with booster) or approved exemption**
 - **Expected to take PCR test on fifth day after return**
- **Conference Travel is now being approved**
 - **Justification needed**
 - **Requires Volker's approval (cc Tom Gallant and me)**

Ergo Back Again

Ergonomic safety remains a top concern.

- Do not work directly on your laptop!
- How is your equipment?
 - Sticky keyboard or mouse, worn wrist rest
 - Still using your laptop webcam
- ergo.lbl.gov and telework.lbl.gov
 - Telework Shopping Guide
- Work with your Admin to order
- Move at least every 20-30 minutes
- EHS0054 / 0058 Ergonomics Training
