

# Welcome

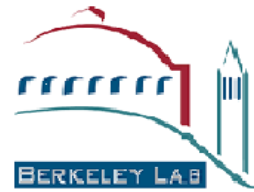

---

**First in-person NSD Staff Meeting in over Two Years!!!**

# Updates

- **Flu Season is Over**
  - **Mask no longer required for those that did not get the flu vaccination**
  - **Still required on shuttles**
- **Controls still in place to come onsite (Potter St, JBEI)**
  - **Weekly Online Symptom Check**
  - **Daily symptom check**
  - **LBL0012**
  - **COVID WPC Required (No OJT)**
  - **“Fully Vaccinated” (Must upload booster info)**

# Self - Assessment

---

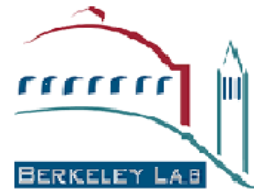

## NSD FY22 Assessment

- Taking part with the other PSA divisions
- Assessment will cover Training at the Lab
  - Looking to optimize the value employees get from the training they are required to take
  - Looking for gaps in division specific training needs
- Information collection will be completed by the end of July (Questionnaire and Interviews)
- Will be meeting with Project Leads to help distribute the questionnaire

# Equipment Lifts

- Evaluate the weight prior to lifting or moving
- Inspect prior to verify no loose items
- If unsure, **STOP**
  - Get a second opinion
  - Get another worker to assist
  - Submit a Facilities Work Request
- Use proper lifting techniques
  - Use legs, not back
  - Keep close to body and don't twist
- Material handling equipment is available through the EHS ergonomics group
